40 Acres Glendale Loess

WE HAVE A CLIENT who owns forty acres of the finest loss in the Glendale country, it is old, cultivated land, and investigation by the prespective buyer will show the soil to be superior for cantaloupes, sugar beets, berries, fruits, alfaifa, etc. The owner will take \$1000 down and all the balance at the end of five years at 8 per cent interest. This will give someone a good chance to get &

40 Acres Perfect Alfalfa

THIS IS LOCATED between Glendale and Phoenix, and without question is the most perfect stand of old, producing alfalls in Sait River valley. It is now about two feet high, and as even as a velvet carpet. The price is \$150 an acre, and one-third cash will handle it.

20 Acres - Rent Free

THERE ARE TWENTY ACRES of the finest garden land In the valley, and it is located right under the Arizona-Canal next to the bearing orange groves; would therefore be a good proposition for the raising of early tomatoes and other vegetables. The owner will give this rent free, If the renter will pay for the irrigation water, for the fence, and will have a certain portion in alfalfa at the

end of three fall years. Come in and see us about this.
